High School & OAKS

Secondary students pass each test once in their high school career. Oregon is phasing in achievement standards for demonstrating proficiency in essential skills for a high school diploma. So far they have established these subjects and graduating classes:

- | | |
|---------------------|------------------------|
| • Reading | Class of 2012 & beyond |
| • Writing | Class of 2013 & beyond |
| • Apply Mathematics | Class of 2014 & beyond |

I welcome your questions and/or concerns about testing at Logos Charter School.
